

Quorum Park Smoking Policy 2021

Quorum operates a Smoking Policy that covers the entirety of the Park.

This policy is designed to promote access to spaces with fresh air.

We estimate 80% of staff on Quorum Park are non-smokers and want to create a working environment that is comfortable and enjoyable for everyone.

Staff are only permitted to smoke cigarettes in their designated smoking shelters.

Smoking of cigarettes will not be permitted anywhere else across the business park.

Vaping is permitted anywhere across the park. We only ask that you avoid vaping in the front of buildings for the comfort of others
