

# Using the Quorum App

# The Quorum Park app uses the HqO platform, specifically designed for employees in office buildings.

It connects everyone with building services and amenities through one central app. Receive updates about services and events, gain access to exclusive promotions and even share your own posts!

Get the new Quorum App here:

Please note, you will be required to use your work email in order to gain access

# Find your way around

The homepage is made up of various content options along the top, scrollable news items and the option to jump between homepage and our events calendar at the bottom of the page toolbar.
