Comprehensive Physiotherapy Service 

Clinical Specialist Physiotherapy

If you have been struggling with a long term musculoskeletal condition or have previously tried physiotherapy elsewhere without success, a Clinical Specialist appointment may just be what you need.

Initial Assessment or Treatment Session (45 mins) £70

Follow up Treatment Session (30 mins) £50

Initial Assessment and Treatment Session (60 mins) £90

Ostenil Joint Injections

Ostenil® is a treatment for the symptoms of Osteoarthritis. It can be used for most peripheral joints, such as knee, shoulder, thumb, and big toe.

Ostenil Standard (Course of 3 injections) 1 joint £360

For large joints such as knees or shoulders 2 joints £540

Ostenil Plus (1 injection) 1 joint £220

Ideal for repeat injections following standard course 2 joints £360

Ostenil Mini (Course of 3 injections) 1 joint £300

For smaller joint such as the fingers or toes 2 joints £420

(Prices include cost of appointments and injections)

Shockwave Therapy

Extracorporeal Shockwave Therapy (ESWT) is a none-invasive treatment that assists with body's natural healing process, particularly for chronic tendon problems.

50 mins £60

30 mins £35

Steroid Injections

Steroid injections have been used for many years as a quick and effective treatment for soft tissue conditions, joint pain and inflammation throughout the body.

Home visit

Common conditions for which our older people physiotherapy team would suggest a home visit include:

- Early post-operative rehabilitation
- Falls prevention
- Poor or declining mobility

Within 10 mile radius of NE3 3LU £125 per visit

10-20 mile radius of NE3 3LU £155 per visit
